

My Calendar App

Calendar Screen

Login Screen

Triggers when not logged in and long pressed calendar dates, or from Info Screen

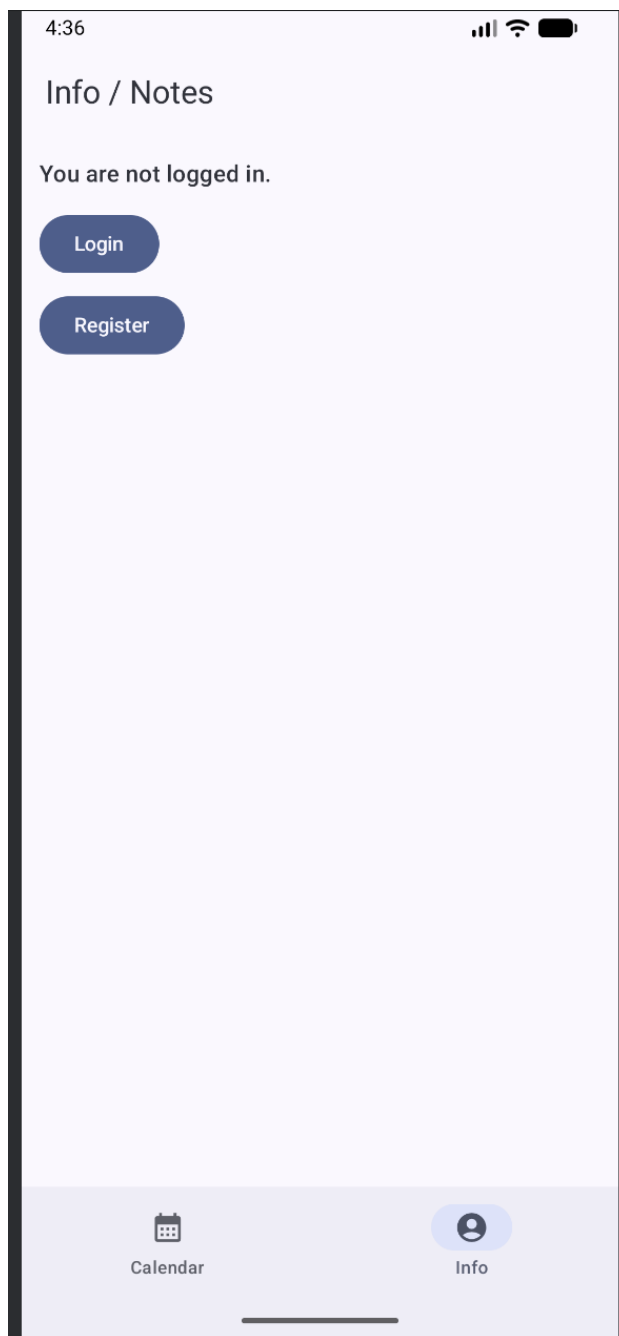

A mobile app login screen mockup. At the top, the status bar shows the time 4:23, signal strength, Wi-Fi, and battery. The main area has a light purple background. It contains two white input fields with rounded corners: the first is labeled 'Username' and the second is labeled 'Password'. Below these fields is a dark blue rounded button labeled 'Login'. At the bottom, there is a light purple navigation bar with two icons: a calendar icon labeled 'Calendar' and a person icon labeled 'Info'. A horizontal line is visible at the very bottom of the screen.

Festival Detail Screen

When pressed on the bottom list festival name, goes to this screen where AI generates description and image of the festival

Info Screen when not logged in

Register Screen
